World Council of Churches (WCC Publications). Paperback. Book Condition: new. BRAND NEW, At Home with God and in the World, Andrea Frochtling, Michael N. Jagessar, Brian Brown, Rudolf Hinz, Dietrich Werner, A pivotal figure in the ecumenical movement and in world Christianity during the last 50 years, Philip Potter brought charismatic personality, moral energy and prophetic insight to his leadership of the World Council of Churches in a time religious and socio-political turmoil. An invaluable historical and theological resource, this anthology captures those qualities in the most complete collection of Potters writings to date, highlighting his landmark speeches, preaching, and Bible studies. Ranging across Potters core biblical and theological themes to his bracing cultural analysis and strong articulation of the imperatives of social justice, the twenty-four works reproduced here are not only religiously and prophetically rich. They also shed light on the rapid development of the ecumenical movement in the post-war period, the newly globalised and post-colonial reality facing the churches from the 1960s onward, and the steep challenges posed to the churches -- then and now -- by race consciousness, the legacy of colonialism, the gender revolution, the nuclear threat, and geopolitical change. Along with extensive biographical materials and a photo gallery, the volume includes a helpful bibliography of primary and secondary resources.
