---

By Katie MacAlister

Penguin Putnam Inc, United States, 2008. Paperback. Book Condition: New. 175 x 102 mm. Language: English . Brand New Book. Gabriel Tauhou, the leader of the silver dragons, can't take his eyes off May Northcott--not even when May, who has the unique talent of being able to hide in the shadows, has slipped from everyone else's sights. May, however, has little time for Gabriel--not when she's hiding from the Otherworld law, hunting down a blackmailer, and trying to avoid a demon lord's demands. But her ability to withstand Gabriel's fire marks her as his mate, and he has no intention of letting her disappear into the darkness she seems to prefer. Then May is ordered to steal one of Gabriel's treasures--an immensely important relic of all dragonkin--and he must decide which to protect: his love or his dragons.
