Friesenpress, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. If you think hearing loss is just a condition of old age-think again. In *The Way I Hear It*, Gael Hannan explodes one myth after another in a witty and insightful journey into life with hearing loss at every age. Blending personal stories with practical strategies, Gael shines a light onto a world of communication challenges: a marriage proposal without hearing aids in, pillow talk and other relationships, raising a child, going to the movies, dining out, ordering at the drive-thru, in the classroom, on the job and hearing technology. Part memoir, part survival guide, *The Way I Hear It* offers tips for effective communication, poetic reflections, and heart-warming stories from people she has met in her workshops and at conferences throughout North America. Gael s humorous stories are backed by hearing loss research, and she offers advice on how to bridge the gap between consumer and professional in order to get the best possible hearing health care. *The Way I Hear It* is a book for people with hearing loss-but also for their families, friends and the professionals who serve them. Gael Hannan shares not only the daily frustrations, but also a strong message of hope and optimism for living successfully with hearing loss.
