Benson Books. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Linda Hoyer was in her early twenties when she found herself parentless for the second time. Adopted at five months of age, her heritage, medical history, and access to information about who she was or where she came from was sealed. It was as if she had never existed before being adopted. When she was barely in her twenties her adoptive parents died and a pattern of loss was put into motion that would continue for years as, one by one, those she called family were torn from her life. Struggling to deal with the loss of her family of origin and her adoptive parents, she ultimately reunites with members of her birth family--but there is never a reunion with the woman who gave her life and she continues to feel lost, rejected, and disconnected. Two Hearts charts a course through a complex series of relationships stemming from the author's adoptive family, her maternal and paternal birth families, and an abusive marriage as the author seeks the one thing she so desperately wants: family. This is the story of a woman's journey through unfathomable grief; of what it takes to go into the abyss of deep-seated wounding, to feel the pain, and to come out the other side, whole, healed, and thankful. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
