

Literature Frameworks-From Apples to Zoos (Paperback)

By Sharron L McElmeel

Linworth Publishing, United States, 2002. Paperback. Book Condition: New. 2nd. 278 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Library media specialists, classroom teachers, and other educators who work with preschool through intermediate students will find this explanatory guide immensely helpful in making thematic connections to curriculum objectives that are well-supported by literature. In the frameworks, common elementary school topics--from Apples to Zoos--are used as building blocks for classroom workshop activities. Combine the blocks to support any theme or curricular unit. You can also select activities within each topic to integrate selected books and activities into the existing curriculum, such as focusing on Johnny Appleseed in the A is for Apples unit. The framework for each reading unit suggests resources and literature-related materials to match the curriculum, and gives ideas for integrating the resources into a particular theme. All of the frameworks are easily adapted to your students interest level and learning goals. Alphabetical listing of 26 imaginative subjects that relate to common interests in grades PreK-6 Newly revised with a wealth of additions, including websites, activities, and new books 64 reproducible graphic organizers to assist with learning activities.
