Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

Bison Books. Paperback. Book Condition: New. Paperback. 166 pages. Dimensions: 8.1in. x 5.1in. x 0.4in. Welcome to the Seventh Annual Conference of the Society for Protection and Reclamation of Indian Images. Expect to find, amid all the refined cultural observations, academic posturing, and political maneuvering, an Indian who defies anyone to protect, let alone reclaim, her image. This is Shirley Mounter, a Tuscarora woman and the chief storyteller among the acerbic, eloquent, and often hilarious speakers who overflow the pages of this latest novel by the noted Onondaga writer Eric Gansworth. A lecture on Indian stereotypes by Shirleys daughter, art historian Annie Boans, calls forth Shirleys recollections, whose outpourings deposit us in the turbulent yet restorative waters of modern Iroquoian reservation life, always flowing and eddying around kin. Indeed, Shirleys house and land are now, after a long and bitter fight, forever lost to her in the construction of a water reservoir that feeds the governments hydroelectric plant. The story of this battle is the story of Shirleys generation and the faltering generation that follows of violent love and losses, of children turning away only to find themselves forever negotiating the nuances of identity, of popular culture in jarring juxtaposition with the sometimes even more incredible realities of Native life. Weaving a complex narrative illustrated with his own paintings, Gansworth creates a rich, wry, and multifaceted tapestry of the intricate twists and turns of coincidence, memories, and stories that bind Native families together. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
