Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Sage Publications Ltd, United Kingdom, 2013. Hardback. Book Condition: New. New.. 244 x 172 mm. Language: English . Brand New Book. Teaching Primary Mathematics covers what student teachers really need to know and why, including approaches to teaching and learning, planning and assessment, and using resources in maths teaching. It also provides a brief historical overview of the teaching of mathematics and examines strategies to enhance learning and develop as a confident mathematician in the primary classroom. Informed by seminal and current research and in touch with current developments in education policy, the book also explores: - The role of the mathematics within the primary curriculum - The development of mathematics as a subject of study - Different international approaches to mathematics education, and the lessons that can be learnt from them. This is essential reading for all students on primary initial teacher education courses including undergraduate (BEd, BA with QTS), postgraduate (PGCE, SCITT), and employment-based routes into teaching. Sylvia Turner is Senior Lecturer in the Faculty of Education at the University of Winchester.
