Bush and his administration have a goal. Their goal is to systematically dismantle safeguards put in place by the U.S. Constitution and Roosevelt's New Deal and put in laws that favor the rich over the middle class and the poor and give the powerful dominion over the masses. Each and every middle class and poor American has been, is, and will be adversely affected by this deceitfulness but these Americans are not aware of how these deceptions affect their everyday lives and the lives of the ones they know and love. A handful of corporations own the media and their profits are tied to the laws and to the policies of the Bush Administration so their interests are not for the welfare of the people but for the welfare of the Bush Administration that has the power to increase their profits. The questions included in this book along with the sources that spawned them will shine light on the darkness that hides these devious goals. Read **ALL THE QUESTIONS YOU WANTED BUSH TO ANSWER, BUT THE MEDIA WAS AFRAID TO ASK** and see what Bush doesn't want you to know but be prepared to be scared because this is not fiction; this is real life.
