Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

NAVAL ARCHITECT

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 74 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Alan L. Bates directed the renovation of the steamer Avalon into the Belle of Louisville, designed the steamboat Natchez and was involved in the planning, building or renovation of many other riverboats. Naval Architect is the true story of Alan L. Bates career as a naval architect, the ups and downs, about learning things the hard way, about great success and the funniest moments in life. Its a personal account of the authors most prestigious projects including the Belle of Louisville renovation, Natchez, Chautauqua Belle and the Louisville Falls Fountain as well as his very own experiences with the US Coast Guard, which he had a life-long and deep love-hate relationship with. Alan L. Bates tells his stories in the same witty and refreshing style he did when telling stories in person at so many occasions, whether sitting on the lazy bench of the pilot house of the Belle of Louisville or on the sofa of his home in Louisville, Kentucky in his very own style of storytelling that everyone who knew him did love so much. This item ships from La Vergne, TN. Paperback.
