

Beyond Heterosexism in the Pulpit (Hardback)

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

CASCADE BOOKS, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is not another volume attempting to persuade the reader of the rights of gays and lesbians in society and in the church. Instead it assumes the reader is a minister or student of ministry who already has a passion for this issue and is looking for better strategies to speak out of this passion in the pulpit. Too often progressive preachers avoid speaking about issues related to sexual orientation out of fear of rejection from the congregation, or address them in ways that unintentionally alienates either gay or straight hearers. Askew and Allen offer preachers tools for recognizing and prophetically countering heterosexism in the pulpit while being pastoral toward those in the pews who may not hold the same view as the preacher. The range of issues found at the intersection of homosexuality and the proclamation of the Christian gospel in light of the church's division and the changing landscape of society's attitudes is diverse and complex. Allen and Askew represent the combination of critical theology and contemporary homiletics needed to offer preachers new strategies for advocating against social and ecclesial discrimination directed at homosexuals and for the full inclusion of all in the church. You hold in your hands a book that's going to help you learn how to modify your language in order to welcome a new liberation with your preaching as well as your personal conversation. . . . Askew and Allen help us understand and welcome an unacknowledged group within every parish and culture. . . . [They] help us adapt, consider, and express a welcoming sensitivity for still another social group that has long waited for God...
