Their journey takes them to Kukuanaaland, where they find a warrior tribe in thrall to King Twala. Soon the white men are embroiled in a desperate tribal battle, and Quatermain's expedition can only reach its goal with the aid of Gagool, the ancient 'mother' no one trusts. Haggard's exciting adventure story captivated readers when it was first published in 1885. It helped inaugurate a wave of 'lost world' romances inspired by the exploits of British explorers in colonial Africa. This new edition looks at Haggard's own African experiences and unlikely literary success, and his ambivalent attitude to the native tribes and the ravages of the British Empire.
