Wheeler and Erwin F. Smith, and was printed in the report of the Michigan State Horticultural Society for 1880. The second Michigan Flora, based on the first, was prepared by W. J. Beal and C. F. Wheeler and was printed in the report of the Michigan State Board of Agriculture for 1892. Of the second Michigan Flora one thousand separates were printed for distribution and the supply was exhausted in less than five years. The copies of all the former edition of this Flora were distributed chiefly among botanists of all grades from Professors in Universities and Colleges, Normal Schools, teachers in High Schools, Academies and among amateurs. It is believed that this edition notwithstanding all its defects, will encourage many to study the wild plants of...
