I have seen them sit both together on a rose-branch that overhangs the wall, and shriek at the cat like mad things, flapping their wings at her as if they thought they could frighten her away. I could hardly help laughing, though their agony was most tragically real. The young birds are grown to a safer size now, and can fly away. One fluttered in at the kitchen window lately. It was caught, and I put it back behind the faggots where the old robin tried hard to keep them. NOTES OF THE ROBIN 85 I suppose few birds have so many different notes as the robin, or such expressive ones. The warning note, and the angry note, all must have observed; but I am not so sure that the long, pathetic, soft note, which is, I think, meant...
