Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Settlement of Pennsylvania In the beginning are the first words of the Bible narrative, and fascinating indeed is the story of the beginning of any worthy achievement. The main facts concerning the founding of Pennsylvania have become treasured in our national history, and are known, at least in outline, to most Americans; yet it is well for all citizens, and particularly all Pennsylvanians, to renew their knowledge of the birth and growth of a great commonwealth, the second among our many states in wealth and population. The figure of Penn, the beloved Founder of the colony, a great and good man, who saw his golden dreams blossom into reality, is one which should never be forgotten. From the melting-pot of his Pennsylvania settlement such value came forth that we look with better heart at the mixture of races in the national life of today. Many other worthwhile characters are met in this short chronicle. This book is designed to give a survey, brief, yet more detailed than the accounts found in general American histories, of our state s early development up to the time of the Revolution. The style is adapted to the comprehension of any pupil of the upper elementary grades or the junior high school. By word and by picture the narrative has been made as clear and as interesting as the space would allow. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
