WestBow Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about the contents and interpretation of the Book of Revelation in the King James Version of the Bible. Ninety percent of my interpretation comes from the Book of Revelation and no other books of the Bible, except when I am trying to cast an Old Testament relationship to a Revelation vision. This small book is my interpretation of the Book of Revelation; I approach my reasoning from what the book says to me, not what it says to you. My own reasoning searches deep into what is written and what it says, not what I want it to say. The Book of Revelation is a mountain of prophecy that has to be chipped away rock by rock. Revelation is the last vision given to mankind by God; when the vision ends the flesh man s (nonbeliever s) existence ends and is judged, and the spirit man (believer) gets a new body that never ends. The book and my interpretation will never go beyond the fact that Jesus is God, Jesus is Lord, Jesus is Savior, and Jesus is the only path to heaven.
