## EISENHOWER: THE WHITE HOUSE YEARS

Anchor, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!  
Summary: Praise for Jim Newton's Eisenhower: The White House Years "Newton's book is thorough and reasonable. . . . What makes it valuable now is the timing: We need this book and its insights to judge the vicious and counterproductive politics of these days. This is a book worth reading." -Richard Reeve, Los Angeles Times "An essential narrative. . . . [Newton's] objective is to tell the story, and he does so well, inviting us to form our own opinions and giving us a sense of an era that seems both quaint and comfortable in our own age of harsh polarization." - The Wall Street Journal "Drawing on declassified documents, Newton's narrative, especially of the many international crises, is clear, brisk, and insightful, a timely study of a master of consensus politics with lessons for today's polarized Washington." - Publishers Weekly "[Newton's] well-researched account shows that Eisenhower was an engaged, decisive leader guided by some bedrock moral and political beliefs. . . . A well-done presentation that helps correct enduring perceptions about an effective but misunderstood presidency." - Booklist "A truly great book, spirited, balanced, and not just the story of President Eisenhower but of an era." - Bob Woodward "Jim Newton brings President Eisenhower to life, and we walk with him page by page as he's transformed from epic General to two-term President. Newton navigates a fascinating journey from military leader to novice politician to one of the most beloved Presidents in our history." -John F. Kerry, U.S. Senator "Jim Newton does a masterful job illustrating the forces that confronted Dwight Eisenhower during his years in the White House, from nuclear politics to race relations to the federal debt and deficit. He paints a vivid...
