Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

BINSCOMBE TALES: VOLUME TWO (PAPERBACK)

Fabled Lands Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Mr Oakley has moved back to the small English village where his family once had roots. Binscombe is a place of cricket and corner shops and after-work pints in the Duke of Argyll. But peel away the wallpaper of the ordinary and you will find cracks in the fabric of what we think of as reality: The man who spent a lifetime waiting for a bus The suburban kitchen with a gateway to another world The whispering voices that torment a nightclub owner The ancient danger that lurks under an electricity substation For a reasonable man like Mr Oakley it could all be too much. But luckily he has the enigmatic figure of Mr Disvan as his guide to the borderland between the everyday and the uncanny. Part-wizard, part-tribal elder, Mr Disvan is Mr Oakley s much-needed lifeline to sanity-and at the same time might just be the scariest of all Binscombe s many secrets. Collected here for the first time, these twenty-six classic tales by John Whitbourn are some of the most anthologized in modern weird fiction. So draw your chair close to the fireside, pour yourself a pint or a cuppa or a scotch, and settle back to have your blood chilled and your imagination thrilled as only a master storyteller can.
