God created the world by the power of His Word. In the beginning, God said, Light be. And Light was! God has given you that same power, to create with your words. Your words are not only powerful to make changes in your life; but it is the power through which definite changes come about. Your words mould and shape your life. You cannot rise beyond what you speak. It is God s plan that we take charge of our circumstances even by the power of our words as we agree with His Word. This book will give you a clear understanding on how to use your words to work for you and not against you.
