

## School Counselor Consultation: Skills for Working Effectively with Parents, Teachers, and Other School Personnel (Paperback)

By Greg Brigman, Fran Mullis, Linda Webb

John Wiley and Sons Ltd, United States, 2005. Paperback. Book Condition: New. 250 x 178 mm. Language: English . Brand New Book. Proven practice tools and techniques for effective school consultations Consultation gives school counselors numerous advantages over individual or small group counseling. Chief among them is the far greater amount of children and adolescents one counselor can reach; by creating a more responsive school environment----consisting of teachers, parents, and others who can make decisions that children cannot----the counselor can positively affect all students who pass through that environment. However, making consultation effective requires a high level of knowledge and skill. School Counselor Consultation: Skills for Working Effectively with Parents, Teachers, and Other School Personnel represents the most comprehensive resource available for understanding the entire consultation process. Unlike other consultation books that focus on theory, School Counselor Consultation emphasizes proven practice techniques. These include: aeo What to say to parents and teachers about referring students to the school counselor aeo What to ask teachers to assist in formulating successful interventions aeo How to make the most of parent conferences aeo How to plan for, execute, and follow--up on consultation sessions aeo A five--step approach to conducting an individual consultation aeo...

### Reviews

*Certainly, this is actually the very best job by any author. It really is rally exciting through studying time. You may like how the blogger write this pdf.*
