Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.So simple - but with real potential to transform young lives. Every parent s desire is for his or her child to grow up to be respectable, honest, and to walk with integrity. In God s Alphabet for Training in Truth, Geoffrey Bull presents twenty-six carefully selected Bible verses, each beginning with a different letter from the alphabet; twenty-six thought provoking stories that reinforce the principles contained in each verse; and beautiful hand drawn pictures illustrating each story. The alphabetic letters, stories, and pictures form memory hooks, which will, along with application of the practical exercises, help the young person not only to remember each verse, but also to apply the truths they contain in their daily lives. Included in God s Alphabet for Training in Truth is an explanation of what it means to be born again and why this is necessary, written in a unique, clear manner that every child will easily understand. This powerful resource is a must have for every young person, parent, grandparent, children s church leader, or elementary school teacher. This is the one you have been waiting for!.
