Popular author of eight books and abbess of the online retreat center Abbey of the Arts, Christine Valters Paintner explores how the lives and spirituality of twelve monks and mystics offer distinct patterns of thought that will guide you on the path to your true spiritual identity. In *Illuminating the Way*, Christine Valters Paintner takes you on a journey through your inner life accompanied by twelve great monks and mystics from the Christian tradition. Each figure invites you to discover the energy and potential of a particular archetype—the inner sage in Benedict; the inner visionary in Hildegard of Bingen; and the inner orphan in Dorothy Day. Paintner is beloved by readers for her creative practices, guided meditations, and beautiful prayers and poems, and she has included all of these elements to further explore the image associated with each mystic.
