paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 291 Publisher: Ocean Pub. Date :2011-05-01 1st edition 1st printing 2011-05-01 Yang Dongfang. Chen Yu-edited the application of mathematical models and research in ecology (14) to the application of mathematical models and eco- development of research topics. the mathematical model described in the application of different fields of ecology. such as geography. topography. meteorology. hydrology and water power. and environmental changes. biological changes and ecological changes. and other fields. Detailed mathematical modeling of the background. composition and structure. and the significance of its application. Seriously grasp the mathematical model of the ecological features and functions and precautions. Eco mathematical model showing the evolution of ecosystems and the sustainable use of natural resources and predict the sex. Through the book. learning and research can promote natural resources. environment development and protection. to promote the healthy development of ecological economy. strengthening ecological protection and environmental restoration. Contents: one-dimensional fractal model of the X-band radar sea surface wave height estimated filtration rate formula for breeding sea kelp growth trends in the dynamic model forecasts storm surge numerical prediction models of statistical methods to test the design wave of Ozzie the basic principles of ESR dating of coral reefs Wei Boolean distribution of nonlinear parameter estimation formula for calculating the wave peak velocity of the wave loading pier square base model runoff and sea salinity-related elements of the mathematical model of early diagenesis on temperature change temperature field near sea surface topography prediction formula North Harbour calculate numerical model of circulation and spread of oil dispersion of pollutants in the Laizhou Bay area numerical calculation of fuzzy identification model of the three elements of computing wave sea surface temperature (SS7) to...
