Only constant observation of civilian Judges and soldier witnesses could have shown me how fallible is the unaided military memory or have led me by three steps to a War Diary- (1) There is nothing certain about war except that one side won t win. (2) The winner is asked no questions-the loser has to answer for everything. (3) Soldiers think of nothing so little as failure and yet, to the extent of fixing intentions, orders, facts, dates firmly in their own minds, they ought to be prepared. Conclusion: -In war, keep your own counsel, preferably in a note-book. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.
