Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.After losing his wife in a horrific traffic accident, Roland finds himself drinking heavily and beginning to question his purpose in life. He is now a wealthy individual as his wife insisted on maintaining a large life insurance policy. While in this fragile condition, he overhears a newscaster reporting on the barbaric bombing of a major sporting event. He considers the idea that the elitist rulers who have grabbed power and wealth from the people of this country should be protecting and preventing these murderous events from happening. His loss of financing on a critical project due to the new health care laws pushes him into taking action. He begins to use his time and wealth to study the new laws and corruption that has taken place in our government. Roland decides to take down the most dishonest politician in his state. After researching surveillance and general landscape design, he obtains employment at a company that is contracted for the Boxleiter mansion grounds maintenance. Now that Roland has access to the Boxleiter compound, he slowly and methodically plans for the revelation of crimes committed by one of America s most notorious politicians.
