Apress. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. A woman looking to retire said to author and valuation expert Tim McDaniel, I need to sell my business for 2.5 million to support my country club lifestyle. The reality was that her business was worth 750,000. How could she have been so wrong? That's why this book shows: The importance of treating your ownership interest in a business as something deserving near-daily attention. How a company is valued, and how others outside the business view that value. Steps you can take immediately to increase the value of your business. The different kinds of potential buyers and what attracts...
