Brand New Book ***** Print on Demand *****.Excerpt from Conventional Cant: Its Results and Remedy The idiosyncrasy of which I purpose to treat I have called Conventional Cant, in order to avoid, at the outset, the suspicion of referring to simple religious hypocrisy, which is common to humanity at large, and with which, specially, my work has nothing to do. It may seem presumptuous, if not audacious, to describe Cant as our national failing, as an idiosyncrasy which taints us collectively, whilst we boast so large an amount of individual moral excellence. Now, a daring procedure calls for a justification, or, at least, for an explanation to start with, and for that purpose I append a few quotations from the writings of some of the most acute thinkers of our time.
