SIMON SCHUSTER AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 149 x 130 mm. Language: English . Brand New. Now on value-priced Encore CD! The "astonishing" (The New York Times Book Review) and "inspirational" (Shelf Awareness) true story of Phiona Mutesia teenage chess prodigy from the slums of Ugandasoon to be a major motion picture starring David Oyelowo and Academy Awardwinner Lupita Nyong'o. One day in 2005 while searching for food, nine-year-old Ugandan Phiona Mutesi followed her brother to a dusty veranda where she met Robert Katende. Katende, a war refugee turned missionary, had an improbable dream: to empower kids in the Katwe slum through chess game so foreign there is no word for it in their native language. Laying a chess board in the dirt, Robert began to teach. At first children came for a free bowl of porridge, but many grew to love the game that like their daily lives requires persevering against great obstacles. Of these kids, one girl stood out as an immense talent: Phiona. By the age of eleven Phiona was her country's junior champion, and at fifteen, the national champion. Now a Woman Candidate Master the first female titled player in her country's history Phiona dreams of becoming a Grandmaster, the most elite level in chess. But to reach that goal, she must grapple with everyday life in one of the world's most unstable countries. Filled with aspiration, determination, and belief, *The Queen of Katwe* is a "remarkable" (NPR) and "riveting" (New York Post) book that shows how "Phiona's story transcends the limitations of the chessboard" (Robert Hess, US Grandmaster). This is "a must-read for all who dare to dream" (Library Journal, starred review).
