Brand New Book ***** Print on Demand *****.Christine Rose lives an ideal life in a beach suburb of Los Angeles with her husband, Leo. Whilst on summer break from her teaching responsibilities, Christine sees Hollywood's rendition of her favorite gothic romantic musical, featuring a mysteriously magnetic actor with haunting, haunted eyes. Will his response to her letter help her cope with the tragedy that rips her world apart? Fascinated by her acuity and racked with the lonely isolation of fame, Erik pursues the Californian woman through an affair of words. He is as determined to open Christine's heart as she is to save him from his self-imposed solitude. But before they can dream of what lies in the future, they must come to grips with their pasts, as well as the myriad of obstacles fate and fame place in their way. Set in Los Angeles, Iceland, London, and Scotland this globetrotting novel visits the disparate worlds of quiet family life and the lightening paced celebrity of moviemaking. It interweaves two life stories, unfolding half a world apart, in a novel of courage, strength and love.
