Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Red was a bit of an enigma. She was all woman, and a beautiful one at that. She never really wanted the attention of the men who always seemed to vie for her affection, and she hated to break their hearts. But the fact was, few of them interested her. It wasn't their fault. It was just the way she was brought up. For although she had a softer side, Red was also tough. Texas tough, her father called it. It was easier to keep men at arm's length than it was to let them believe they could capture her heart. Red lost her mother at an early age and was raised by a father who worshipped her. He also equipped her with all the tools she'd need later when times got tough. She could hunt, fish and rope a steer as well as any man. When the worst natural disaster in the history of the world destroyed life as she knew it, her toughness kept her alive. And when her family was murdered, she became something else too. She became determined to find the killers and bring them to justice. Even if she had to administer it herself.
