Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Not illustrated. 1895 Excerpt: .incomplete, so undeveloped in all its phases as hardly to permit comparison with the adult at all. To rejoice with you that the difference between the infant and adult is so great, greater by far than is shown in the life histories of any other animal, because it permits in the case of every individual the successful intervention of proper environmental influences, and gives the possibility at least, of a rapid improvement of the race, and is indeed responsible for the great advances which man has made over the other animals. I have purposed to urge you to study the child as a distinct entity, in order that the natural advantages of this difference may be increased to the utmost for the benefit of the race. Those among you who have little ones, let me beg you to look upon them as possessed of great possibilities, the attainment of which by them depends largely upon how you shall train them during the years of their greatest impressionability. To the teachers among you let me say that you are forming men and women, and great is the responsibility. Of the medical students I would ask the closest attention to this subject, that they may the more thoroughly prepare themselves for the intricate share of the task which falls to them. When our future leaders shall guide us, may those of us who are left, be proud and happy in their government. W. S. Christopher, M. D. Professor...
