I Have The Controls. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 8.9in. x 5.8in. x 0.4in. In this inspirational fiction the author talks about the unlimited power and potential lying dormant in every soul, waiting to be awakened. The moment we become aware of the power within, we stop being a victim of circumstances, get off the autopilot called fate and take the reins of life in our hands. I Have The Controls is about the journey of a boy from a small town who realises his dream of becoming a pilot, learns the lessons of life on the way and goes on to inspire others to follow their dreams. His Flying Instructor implants wisdom into the flying lessons and teaches him to take the flight of faith. The book shows the way - how, by aligning personal desires to the benefit for mankind, it is possible to lead a deeply rich and satisfying life. Using flying as a metaphor, Manish Kumar has penned this extremely enjoyable story. Peppered with the authors insights, this book is sure to touch and inspire you to break the shackles of self-limiting beliefs and to take off in life. And that is how I got to know Manish. It is not that we had met or...
