Church is where we go when we want to make a positive change to our lives, when we wish to surround ourselves with people of compassion, and to learn how to become a moral person. Or so it is supposed to be. One of my greatest blessings came a few weeks after walking away from my home church. It was during a time when my suffering over the decision had brought me closer to God than ever before. That was when I suddenly found myself consumed day after day, week after week with the poems that are in this book. This item ships from multiple locations.
