## The Invisibility Factor: Administrators and Faculty Reach Out to First-Generation College Students (Paperback)

By -

Brown Walker Press (FL), United States, 2010. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This collective volume fills an important gap in first-generation college student research by simultaneously achieving several important goals. Collectively, the essays represent a balance of personal narrative, qualitative, and quantitative approaches that extend our understanding of the first-generation college student (FGS) experience. The essays review the existing literature on FGS; outline the barriers to college success faced by FGS; update the existing literature by introducing new and cutting-edge first-generation research; and recommend solutions to those in the trenches, who include support staff who design programs to support FGS. The book's contributing authors bring important personal and scholarly expertise to the project. The authors include faculty, administrators, support services personnel, and former students at private liberal arts colleges, major research universities, community colleges, and comprehensive universities in urban and rural settings. The diverse perspectives represented in the essays will benefit administrators and staff working at diverse types of institutions with FGS. In addition, many of the authors were first-generation college students. Socio-economic background profoundly shapes a person's cultural transition into college and heavily determines...
